Parraguez & Marín and Vella Pugliese Buosi e Guidoni Advogados (Dentons Brasil) advised Patria Investimentos.

Philippi Prietocarrizosa Ferrero DU & Uría advised The Rohatyn Group and DLA Piper advised Inversiones Santa María SpA.

The Rohatyn Group, an asset management firm with expertise in emerging markets and real assets, executed the sale of NeoSecure S.A., a leading provider of cybersecurity solutions and services with operations in Chile, Argentina, Peru, Colombia and Brazil, to Patria Investments, a Latin American alternative asset manager. (NASDAQ: PAX).

Neosecure, one of the few independent, pure-play providers in Latin America, offers a comprehensive solution portfolio that includes: advanced IT security consulting services to diagnose clients' current cybersecurity risk status, IT security technology, product sales and implementation services to incorporate technical cybersecurity controls, and managed security services, to operate clients' IT security protection infrastructures and manage their cybersecurity protection strategies. The Company has developed one of the largest on-the-

ground teams of cybersecurity professionals in the Latin American market and boasts an ample customer base of recurring blue-chip clients in a wide variety of sectors, including finance, telecom, retail, energy and utilities, natural resources, healthcare, industry, education and government agencies.
